## *undivided*

*undivided* is Bristol Cathedral's flagship speaker series.

The series addresses cutting edge issues in doctrine, spirituality, politics and social justice. On Tuesdays in the autumn, we will be inviting theologians and social scientists to reflect on the nature of politics in the aftermath of Brexit and the election of Donald Trump, asking what the good society looks like and how one builds it.

Eastern Lady Chapel

Followed by a glass of wine or soft drink

## What is the theme for 2017?

This year the focus will be **homelessness**, including supporting a Winter Night Shelter. The group reflects a wide range of interests including refugees, green issues, and inter-faith dialogue, and we are gradually expanding the repertoire of what we do.
