

The Difference we want to make together, 2015-2020

Our focus over the next five years is improving our Invitation and Welcome. We want to invite more people into our space, give them a warmer welcome and help them to see the beauty and dynamism of Cathedral life. We hope to do this by:

- Providing a warmer environment for our congregation and visitors with the installation of a greener heating system.
- Creating a more accessible and welcoming space outside the West End of the building.
- Welcoming more school children into the building and providing an excellent education programme;
- Engaging more people with our work, through services, our membership programmes and special events.

Supporting the Cathedral

Cathedral life would not be possible without the help and support of a large number of people. There are lots of ways in which you can become more involved in our life and work, depending on your particular interests.

The Difference we've made together 2010-2014

- Refurbishing our shop, giving a much nicer shopping experience for our visitors.
- Ongoing improvement of our toilet facilities.
- Refurbishment of our bells.
- Renovation of the North Cloister roof.
- Improved sound quality across the Cathedral for the hard of hearing.
- Ensuring the Choral tradition and music of the Cathedral.
- Supporting our Choristers.

“Bristol Cathedral is not just part of Bristol's story, it is one of the places where that story gets told. The effort and energy of all of our supporters sustains us today and gives us confidence for tomorrow.”

The Very Revd Dr David Hoyle, Dean of Bristol

Our Charities

Bristol Cathedral Trust

Bristol Cathedral Trust is the main charitable arm of the Cathedral and seeks funds to help maintain the Cathedral Fabric and strengthen the vital work and historic role of the Cathedral in the city and Diocese of Bristol. The Trust engages with the widest range of funders, including charitable trusts, corporate sponsors and individual donors.

Registered Charity Number 801008

Choral Foundation

The Choral Foundation works specifically to enhance the Choral worship and maintain the Choral tradition in Bristol Cathedral. The Foundation does this by supporting the boy and girl choristers who sing in our choir by providing incentives and financial support. The funding is used for a variety of activities including overseas tours.

Fitzhardinge Society

The Fitzhardinge Society was formed in 2006 to engage members with the preservation of the Cathedral Fabric and the work of Bristol Cathedral Trust. Members of the Fitzhardinge Society provide invaluable support to the Cathedral and are at the forefront of raising funds. Members enjoy a growing number of social events and exclusive opportunities.

Friends of Bristol Cathedral

Friends of Bristol Cathedral fund projects which beautify the Cathedral, care for its fabric, and enrich its worship. Friends of Bristol Cathedral feel a particular responsibility to help with projects which enhance the Cathedral or its life, but which it would be difficult for the Chapter to fund from within its normal financial resources.

Bristol Cathedral Choral Alumni

A choir has been singing on the site of the Cathedral since the Augustinian monastery was founded in 1140. Since then, thousands of choral voices have been heard in our Cathedral. Bristol Cathedral Choral Alumni offers a way for previous Choristers and Choir members to keep in touch with each other and up-to-date with the life of the Cathedral so special to them.
