General

Eco Tip As the weather heats up again, stay cool sustainably. Instead of fans or air-con, keep curtains closed in the day to block heat; open windows in the evening for a breeze; use a damp cloth on your neck or wrists for quick cooling.

Donations The Homeless Outreach Team need good quality, tough socks. Just one or two pairs will make a difference – in the food cage.

Food banks Food banks across Bristol report stocks being very low. Help by giving through our food distribution cage by the literature table. Tinned fruit, veg., pies and long life milk and juice are some of the most useful items.

Churches Winter Shelter The Cathedral has supported the Churches Winter Shelter since its inception, and several members of the community volunteer regularly. It's fulfilling and enjoyable and very well run. It would be good to have more volunteers for this winter. Email sallyagriffin5@gmail.com or speak to a current volunteer-Elizabeth Cairncross, Marcelo Molinari, etc. There is as much or as little opportunity as suits you.
